Came home from [#AEESP2019](#) last night and found my copy of [@benjaminjpauli](#) book in the mail. Although tired, read 60 pages. It is well written and a MUST READ for anyone curious about what happened in Flint yet has not heard the perspective from inside the community. 1/2

In particular, I echo this sentiment from the acknowledgements: "Thank you to [@smcelmurry](#) for bringing me onto the team and for his mostly unknown and unsung but truly inspiring efforts on behalf of Flint residents." 2/2
